# Editor's Message . . .

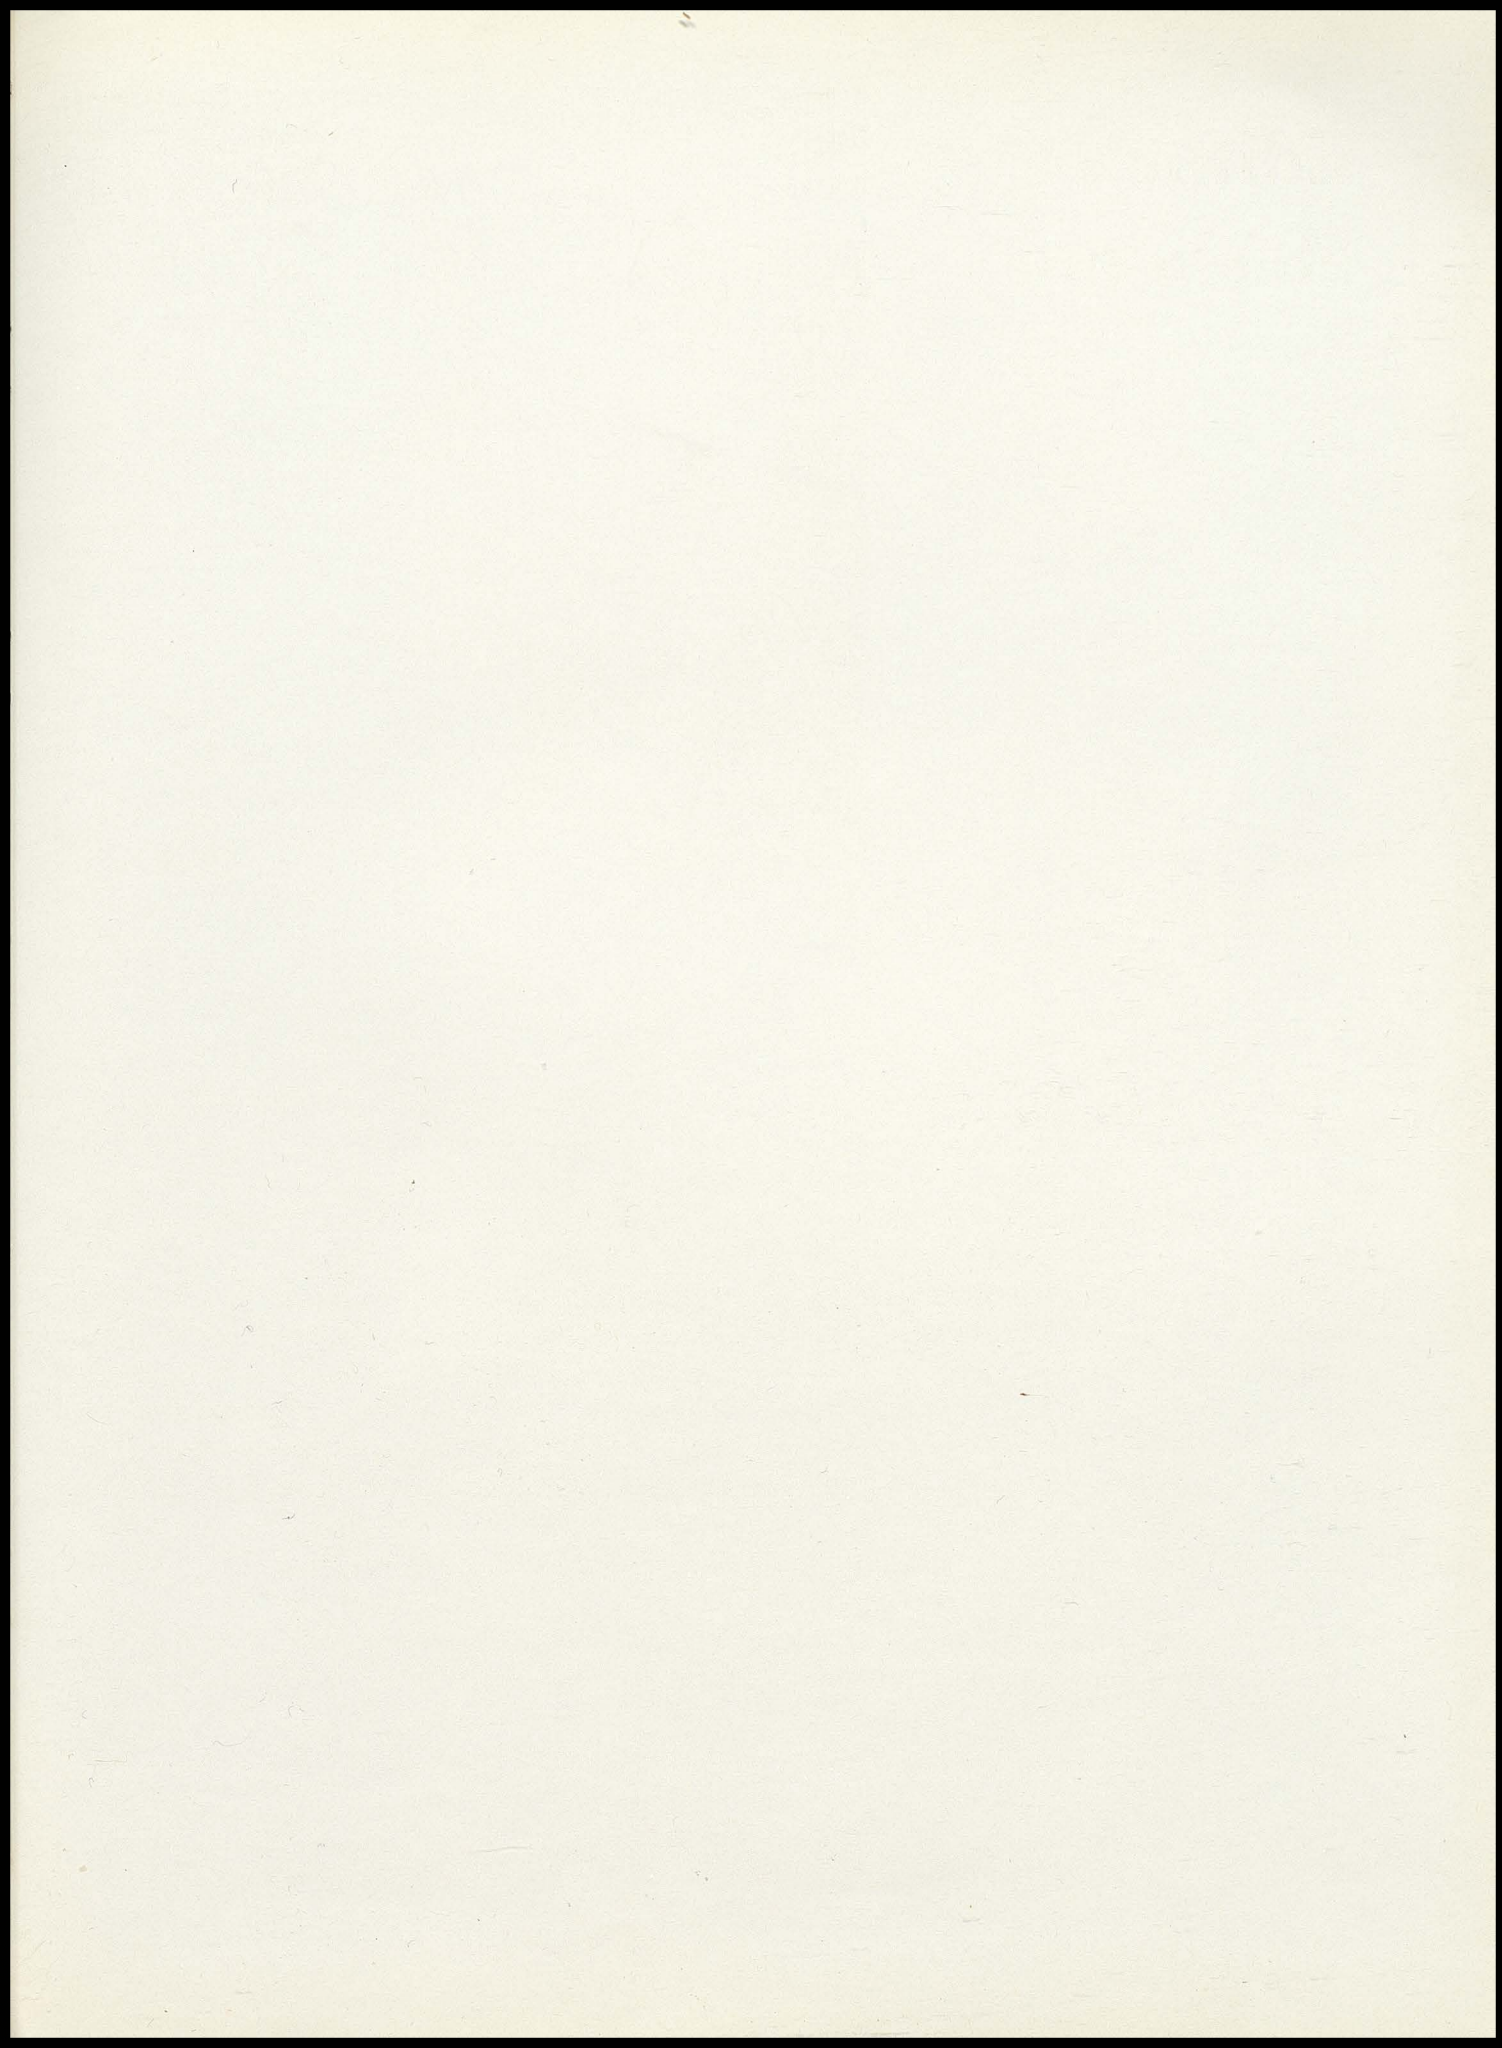

Another year in the lives of the students of Fair Park has ended. The goal of the 1972 SEQUOYAH Editorial staff was to capture the changes and the unforgettable experiences. These are but memories now. Each editor spent much time and worked diligently to meet our deadlines. I would like to express my appreciation to them for their patience and cooperation. I give special thanks to Jill for her assistance.

Working on a yearbook involves many other people who have given us their valuable time and understanding. The staff would like to express our most gracious thanks to Kurvis Burns and his staff of photographers. Much time and energy went into the production of our pictures. Without the assistance and advice of Mr. Fred Elsing, Sr. and Mr. Chuck Fowler, our Taylor Representatives, this book would not have been possible. We would like to say thanks to the administration and faculty for giving their support as we were getting closer to our deadlines. Mrs. Reynolds' COE class deserves much thanks for their many hours of help. The SEQUOYAH Editorial staff cannot say thanks enough to our two wonderful and dedicated sponsors, Mrs. Judy Reynolds and Mrs. Pat Paul. They were understanding and patient with us, and without their help there would never have been a yearbook.

The students of Fair Park have helped us a great deal. As you look through your SEQUOYAH in the years to come, we hope you will be reminded of the days you were a Fair Park Indian.

*Sheila Dennington*

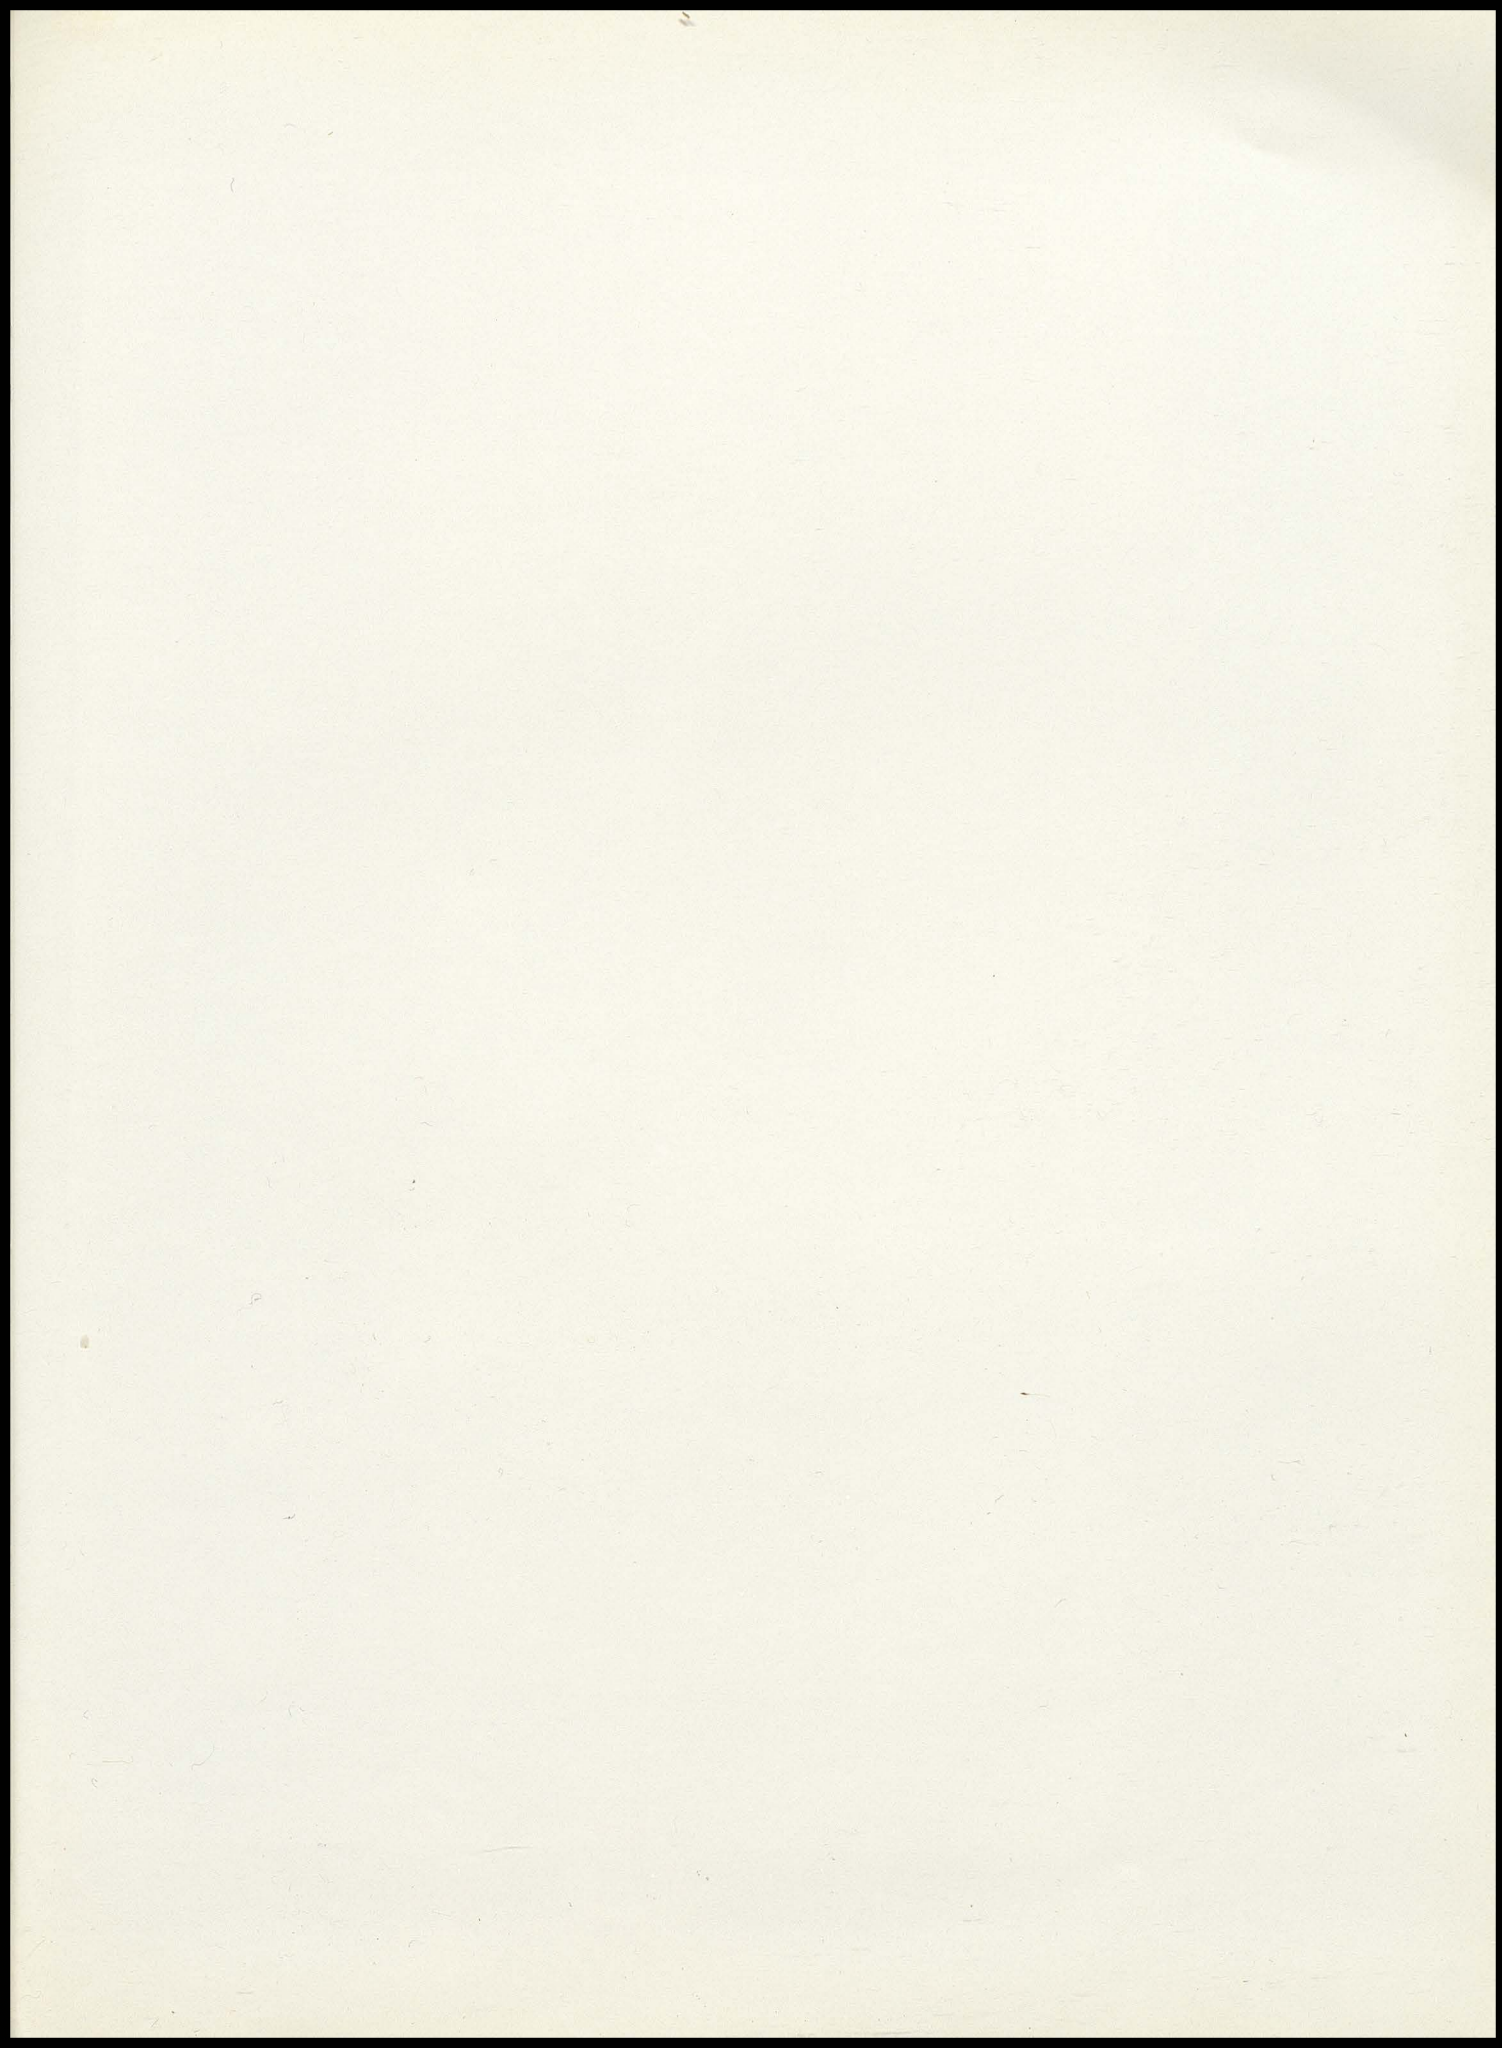

I have been thinking of you a great deal lately and wondering how you are getting on. I hope you are well and happy. I have been very busy lately but I will try to write to you more often.
